

The Knights Flame

Holy Spirit Council #11460, Rochester, MN

February 1995 – Vol. 1, No. 1

Grand Knight Message

Start of a Challenging Tradition

I hope we all understand how important the things we are doing now are, as a foundation for our council. When you think that Council #1013 is over 80 years old already and we are just starting out. What that means is the programs we set up, the good deeds we do and the help we give to others, will be the tradition that our children and their children will be following 50 years from now. Brother Knights, that is a lot of responsibility, but from what I have seen at the start we will be up to the challenge for the journey.
